6. Correspondence

Civic Trust – Autumn Conference. Phil provided leaflets about this and said that he would attend on behalf of the BVS. The £15 fee was agreed should be refunded.

CPRE 'Fieldwork' had been received.

Phil reminded the newer members of the Committee of the National suggestion that Interesting Buildings which were not normally open to the Public should exceptionally be open at this time of year even if only as guided tours. He drew attention to the relevant website which gave fuller

details.

7. Treasurers Report

The treasurer took note of Ploughman's Tickets sold and confirmed that his wife would deputise for him on the gate.

He asked for some Cheques to be signed and informed the Committee that the Bank had no record of signatures, so required mandates to be signed which was duly done.

8. Area Representation

Murray confirmed that as part of the Parish Plan this was being fully reviewed and updated.

9. Amenities.

Phil reported on the Estates Committee meeting that he had attended and confirmed that most of the planned works had been completed including the installation of the new Basket Ball Hoop! He was pleased to report that Waverley were looking to tidy up the rear area of the closed cemetery with the enthusiastic co-operation of the Parish Council and other Societies. He also stated that a Working Party was planned for the third weekend in November outside 'Saddlers' and 'Little Saddlers' as the local owners and the Parish Council had had no luck getting SCC to clear this throughway! David Morley confirmed that he would approach the Probation Service again to get the Western side of the A281 at Gosden Common cleared as the committee agreed it was probable too big a job for a working party.

10. Events

Bonfire – Murray in co-operation with Joe said that this was under control by the Sub-Committee but that John Seily would still be delighted to hear from more bonfire builders.

11. Parish Council Matters

Due to the Summer break there was nothing to report other than as mentioned earlier.

12. A.O.B

Murray suggested and the Committee approved, that the secretary should write a letter of commendation and thanks to Bob Room and John May for their work on the BVS plaques associated with the Sutherland plaque.
