Email to Parish Clerk – 26/03/2023

Hello Linda. I am appalled to see the state of the VH carpark and would like it addressed at the next meeting please. I instituted the circle some 20 years ago (as clerk) as a means of relieving congestion in Hall Road, should pay for the resurfacing - and quickly - before it gets any worse. I'm copying this to the BVS as they keep an eye of the state of the village and would no doubt wish to monitor progress. David
